

Impacts of Climate Events on Agricultural Health and Safety

State of the Science 2023 | Gainesville, FL
March 6-7, 2023

2023 Call for Posters

Deadline: January 27, 2023 by 11:59 p.m. (Eastern Time)

This call is open to anyone interested in sharing innovative research or outreach ideas related to agricultural health and safety. Ideas related to climate change and/or extreme weather are highly encouraged but not required.

Important submission notes:

- 1. Poster abstracts **must** be submitted through an online Qualtrics form. Authors will receive confirmation of their submission via email.*
- 2. Poster abstracts **must** be submitted as a PDF.*

GENERAL GUIDELINES

Posters provide a unique and informal means for researchers, practitioners, and students to share their work and interests.

SCCAHS will award a **distinguished poster**. Poster abstracts must be of potential state or regional significance focusing in the areas of agricultural health and safety, including public health, occupational safety, and Extension.

Accepted posters will be presented during the **SCCAHS State of the Science** annual meeting. On-site evaluation will be based on the poster abstract, design and display, presentation, communication of presenter, significance to stakeholders, and innovation of idea or relation to research.

If your poster abstract is accepted, one of the authors must give the presentation in-person at SOS 2023 in Gainesville, FL on the evening of March 6.

ABSTRACT GUIDELINES

Submit your poster abstract as a **PDF only**. Your abstract is limited to **one single-spaced page, including tables and figures, excluding reference list**. Use 1-inch margins and Times New Roman 12-point font. Prepare all tables using the table function in Microsoft Word.

Do not include any subheading in the poster abstract.

The final submitted document should consist of the following items:

- The poster abstract narrative, including tables and figures;
- One page for references.

We recommend that poster abstracts include the information below. However, **please do not include any subheading in the abstract**. The abstract should consist of a few paragraphs (and tables and figures if applicable) without subheadings.

Impacts of Climate Events on Agricultural Health and Safety

State of the Science 2023 | Gainesville, FL
March 6-7, 2023

Innovative Outreach Idea

- 1 Introduction/need for innovation or idea
- 2 How it works/methods/program phases/steps
- 3 Results to date/implications
- 4 Future plans/advice to others
- 5 Costs/resources needed
- 6 References

Innovative Research Idea

- 1 Introduction/need for research
- 2 Conceptual or theoretical framework
- 3 Results/findings
- 4 Future plans/advice to others
- 5 Conclusions/implications/recommendations/impact on stakeholders
- 6 References

POSTER GUIDELINES

Poster abstracts that are accepted should be developed into posters which are:

- Brief and clearly organized.
- Easy to read from a distance of 4 to 6 feet.
- No larger than 24 inches wide x 36 inches tall.

The SCCAHS Outreach team will print accepted posters. Authors with accepted poster abstracts must submit designed poster PDF by Feb. 27, 2023. More details will be shared with authors of accepted posters.

POSTER ABSTRACT SUBMISSION AND REVIEW

Submit poster abstracts electronically via the following Qualtrics form:

https://ufl.qualtrics.com/jfe/form/SV_bKtfc9BHLv4AW00

You will receive email confirmation that your poster submission has been received. Posters will be reviewed. Authors of accepted abstracts will be notified by Feb. 10, 2023.

If you have questions, please email **Dr. Ashley McLeod-Morin** via ashleynmcleod@ufl.edu.
